# Opening remarks

Justin Ball
2022 Annual TSVV 2 Workshop
30 November 2022

Annual progress report

- 6 page summary of project status due by 31 December 2021 (with an internal deadline of **16 December 2022**)

- Enable scientific board to assess progress

- Please upload your slides to indico or send me them

- A couple paragraphs from everyone, with a focus on those with deliverables

3. Scientific deliverables

Provide the list of scientific deliverables for the year (as specified in the Task Agreement). If you have Not- or Partially-achieved deliverables from previous years please provide the updated status on those as well.

Scientific deliverable (annual scientific deliverables as specified in the Task Agreement)	Achieved: Fully/Partly/ Not	Evidence for achievement, brief reason for partial or non-achievement

Mid-term gate review **[IMPORTANT]**

- Held on 12 September 2023

- Evaluation by the EUROfusion scientific board to determine if the project should continue!!!

- Composed of a 40 minute overview presentation and a ~5 page report

Questions for discussion at end of workshop

- Thoughts on how to approach the gate review?

- Is the project structured well?

  - Too many meetings? Not enough? Different meetings?

- Ideas for improvement?

On to the talks.
(thank you all for your contributions)
