— **Invitation SOLPS-ITER workshop**

Dear colleague,

I am pleased to invite you to the SOLPS-ITER workshop that will take place at the KU Leuven, Department of Mechanical Engineering in Heverlee (Leuven), Belgium, from 14-18 November 2022.

— The aim of the workshop is to introduce code users to the new extended grids version of SOLPS-ITER, help them transition their cases to it, and learn to use the new grid generators.

Sincerely,

dr. ir. Wouter Dekeyser
