

ECRH operator school 2025

Tuesday 30 September 2025

Course: 1. Gyrotron physics basis (09:10 - 10:30)

Course: 2. Magnetic field alignment (13:30 - 15:00)

Wednesday 1 October 2025

Course: 3. Gyrotron physics: modelling basis (09:00 - 10:30)

Course: 4. Gyrotron control parameters (13:30 - 15:00)

Thursday 2 October 2025

Course: 5. Gyrotron beam duct (09:00 - 10:30)

Course: 6. Gyrotron electron gun (13:30 - 15:00)

Friday 3 October 2025

Course: 7. Gyrotron collector (09:00 - 10:30)

Course: Summary and Q&A session (10:45 - 12:00)
