

The trade union ver.di has announced another warning strike in Munich's public transport system for Wednesday, February 11. Passengers should expect all-day disruptions to subway, tram and bus services operated by MVG.

Please note: The S-Bahn as well as all bus lines numbered above 199 will operate as usual.  
Below are some alternative travel options if you are coming from Munich, Garching or Garching-Hochbrück.  
For further information, please download the MVV app.

Munich: Please take S1 direction Airport to Oberschleißheim, then change to X201 direction Garching-Forschungszentrum or S8 direction Airport to Ismaning and change to bus 230 direction Garching-Forschungszentrum.

Garching: ExpressBus X205, bus 230 or bus 292 direction Garching-Forschungszentrum.

Garching-Hochbrück: ExpressBus X201 or bus 292 direction Garching-Forschungszentrum.
