

Start of scientific program planning OP 2.4/2.5

- **update on W7-X**
 - some delays cause a shift of the end of maintenance phase MP 2.4 by some weeks
 - ⇒ detailed analysis ongoing
 - ⇒ slight shift/re-arrangement of work packages dueing commissioning phase
 - ⇒ so far no influence of the start of plasma operation **01.09.2026**
- **Call for proposals**
 - announcement will go out soon (hopefully by end of this week)
 - proposal submission period: 01.03.-24.04.2026
- **Task Force meetings**
 - all TF meetings will be organized via IPP Indico: please visit <https://event.ipp-hgw.mpg.de/category/142/>
 - you can subscribe to the calendar of this category
 - TF meetings will start already this week
 - TF mailing lists unchanged – please subscribe if you haven't done so (see Indico for details)
