

Session Program

3-6 Nov 2026

ECRH operator school 2026
Course

Tuesday 3 November

09:30

10:30

13:30

15:00

Course: 1. Gyrotron physics basis
Session

Course: 2. Magnetic field alignment
Session

Wednesday 4 November

09:00

10:30

Course: 3. Gyrotron physics: modelling basis
Session

13:30

15:00

Course: 4. Gyrotron control parameters
Session

Thursday 5 November

09:00

10:30

Course: 5. Gyrotron beam duct
Session

13:30

15:00

Course: 6. Gyrotron electron gun
Session

Friday 6 November

09:00

10:30

10:45

12:00

Course: 7. Gyrotron collector
Session

Course: Conclusion and Q&A session
Session
