

**Session Program**

**15-19 Jun 2026**

**Annual in-person meeting TSVV-H**

**Surrogate models integration**

Culham Campus, zoom, K1 and C7 buildings

## Thursday 18 June

09:00

**Surrogate models integration: George Holt: EDGE2D-EIRENE surrogate modelling for geometry, fuelling and impurity seeding studies**

Session | Location: C7, Harwell

09:30

09:30

**Surrogate models integration: Rick van Schaik: Preliminary integration of SOLPS-NN into JINTRAC: lessons learned and outlook**

Session | Location: C7, Harwell

10:00

10:00

**Surrogate models integration: Lorenzo Zanisi: surrogate models of core turbulence, TGLFNN and beyond**

Session | Location: C7, Harwell

10:35
