

Session Program

30 September 2026 to 2 October 2026

TSVV-B Annual Workshop 2026

LH transition physics (Task 2)

IPP Prague, U Slovanky 2525/1a, 182 00 Praha 8, Czechia, NHB-4-421, 4th floor

Wednesday 30 September

09:30

LH transition physics (Task 2)

Session | **Location:** IPP Prague, U Slovanky 2525/1a, 182 00 Praha 8, Czechia, NHB-4-421, 4th floor

09:30–09:45

Short update on L-H transition physics in GBS simulations

Speaker

Davide Mancini

09:45–10:15

Analysis of Er well formation in SOLEDGE3X mean-field and turbulence simulations

Speaker

Michele Lambresa

10:15–10:30

Discussion on next steps for L-H transition physics

10:30
