

Closing of the kick-off meeting

1. Regular formal “progress” video-conferences (every three months?)
2. Seminars for papers and conferences (depends on EUROfusion regulations)
3. “Working” informal meetings: depending on problems encountered
4. Cross-group cooperation; example: “particles on GPUs” for EUTERPE/HMGC/XTOR
5. Soon: refinement of ACH needs (HPC for ORB5/EUTERPE, IM for ETS, smth else?)
6. Extending TSVV meetings to non-supported interested participants
7. Continuous documentation of TSVV work on Indico and Wiki.
